

SPENCER WOLF – 8185357371

I'm a 6'1", 210lbs old (literally, at 50) who has been playing rec level my whole life. I used to play competitive league and pickup when I lived in LA but looking to join a local game/team after many years away. I don't have the connections in SRQ to join or form my own team. But after years away, I long to go back to the court. I believe I have something left in the tank. I'm not sure where my game is at anymore, but I go hard for my teammates. Hope to latch on with a team. Thanks.

ISAAC TELLECHEA - 9413305051

I have played basketball consistently for about four years now. I created a club team at New College and served as captain of the team for the past two years. I'm a point guard who is not afraid to look for his shot and I'm good at controlling the pace of the game. My biggest strength in the game is defense. I'm not afraid to guard guys who are bigger than me and I'm just as good off-ball as I am on-ball. I'm not afraid to fight for rebounds and I am great on the offensive boards. I think I'm a tough kind of player that you hate to play against but love on your team. Even if my shot's not falling, I'm still trying hard on both ends.

MATTHEW BERGEMAN – 3035077449
